

WLSTC Service Rotation Descriptions

Service Rotation Description for Anniversary Gifts

Before the Conference

- Contact conference coordinator (kris.snyder@wels.net, 414-527-6854) for a list of teachers celebrating anniversaries. Teachers having finished their 25th and 40th years and those teaching 50+ years are recognized. They can receive the same gift, or you can be creative.
- Purchase cards, gifts, and wrap early for good selection. Wrap gifts, label envelopes, and sign the cards from the conference.
- The night before (from 6:00-7:00 p.m.) or very early on the morning of (between 6:30-7:00 a.m.) conference place the cards and gifts by the name badges. A handful of helpers make this task more efficient!

During the Conference

- Hand in any receipts that you have acquired along the way.
- Hand in any leftover cards and gifts.

Useful tips: This is a job for one or two people. It can be done by two people in a few hours, but don't wait until the night before conference to do this work. Stay in contact with the conference coordinator for good information and the best results.

Service Rotation Description for Elections *Before the Conference*

The following positions are open for election in 2019:

- ✓ Executive Committee: Conference Secretary
- ✓ One Male Program Committee Member
- ✓ Two Female Program Committee Members

Incumbents are eligible for re-election.

Discuss among your faculty members who will be responsible for which positions or if you will communicate with each other when you have found someone willing to serve.

You can find job descriptions for all officers and committee members in the WLSTC Constitution found at www.wlstc.org.

During the spring call or e-mail members of the conference to ask if they are willing to serve in any of the conference positions. Share with them the duties they would have if elected and the need for the conference to have talented, committed individuals.

We would like to have three candidates for each position. We would like to have a variety of skills, ages, and geographic regions represented.

When volunteers to allow their names to be on the ballot:

1. Thank them for their willingness to serve.
2. Obtain an e-mail address that he/she uses regularly for communication.
3. Ask them to put together a short biography by June 30 for the registration booklet.
4. E-mail names and bios to kris.snyder@wels.net.

Service Rotation Description for Refreshment Tables

Taher, WLHS food service, is now facilitating refreshments.

Tables are located in the cafeteria on the lower level.

The conference coordinator will have bagels, fruit, doughnuts, and cookies delivered to WLHS.

- On the days of conference, arrive early enough to take covers off doughnut boxes and get things organized.
- Lids and empty boxes can be stored temporarily in the kitchen (boxes will be picked up). Garbage cans are available for the packaging.
- Make sure napkins are available (they will be supplied).
- As supplies are depleted, consolidate boxes and keep the tables neat.
- Keep water and soda supplied. They will be stored in the coolers. Talk to Kris Snyder (conference coordinator) about access.
- Soda and water move fast during breaks. You will need to replenish the supply often.
- Cookies are supplied at break time. The process is the same as with the doughnuts.
- Clean up at the end of the day.

Refreshments move quickly so it is suggested that 1-2 people attend the table throughout the conference. Several groups of people could easily do it in shifts, so that no one has to miss too much of the conference.

Each school assigned to this rotation should make or purchase 60 thank-you cards (120 total) for delivery to presenters and others responsible for assisting in making the conference a success. **FOR 2018 WE WILL ONLY NEED 70 CARDS TOTAL BECAUSE OF THE SPECIAL FRIDAY SCHEDULE WITHOUT SECTIONALS.** Write a generic message of appreciation from WLSTC in each card.

Purchase cards early for good selection. Some people even do this during the summer months.

During the Conference

- Give cards to Kris Snyder at the courtesy table. She will write in names and distribute them.
- Hand in any receipts that you have acquired along the way.
- Hand in any leftover cards for the next year's crew to work with.

Service Rotation Description for Banners and Flowers

BANNERS

Timetable: We know the theme almost a year in advance so it is best to work on that right away. It is probably best to contact your people right away, then have the due date be mid-Sept. Then there will be plenty of time just in case something happens.

Manpower: One person in charge of finding someone to make the banner.

Make a conference banner which supports the theme or passage for the year. The size should be 3'x5'. That is just a guideline, make it work for you. It should have a cord for hanging. You also need to bring a banner stand to display it on the stage.

If you have a banner already made that works it is okay to use that also. There is no reason we can't borrow something already made.

It is the duty of this committee to have this banner displayed on stage one hour before the conference begins and taken down after the closing service.

If a new banner is made, the supplies will be paid for by the conference treasurer. After the conference the banner can be given back to the congregation who made the banner or donated to a small mission church.

FLOWERS

Timetable: The flowers should be ordered 3 weeks before the conference.

Manpower: One person to order.

Order 2 large flower arrangements for the stage in the \$100-\$150 price range. They can be delivered to WLHS on Wednesday before the conference. They can go to the main office until the time of setup. After the conference the flowers could be taken to a nursing home, WELS administration, etc. One goes to the office of WLHS.

At the beginning of conference make sure the flowers have been put on the stage.

Turn in the bill to the conference treasurer.

Service Rotation Description for Ushers

Timetable: In summer or early fall, make arrangements with faculty members to recruit additional help for conference.

Manpower: One person in charge to coordinate 15 to 20 ushers to collect offerings and pass out any materials needing distribution during the conference (we will keep this to a minimum). Ushers should also be assigned to collect overflow offering in the cafeteria downstairs and atrium.

Ushers will then give the money to the conference coordinator. WLHS business office will count the money and give WLSTC a check.
